*NOTE: Representative Anthony L. Nolan of the 39th District won his seat in the House of Representatives by way of a Special Election held in the 39th District on February 26, 2019. Representative Joseph Zullo of the 99th District won his seat in the House of Representatives by way of a Special Election held in the 99th District on February 26, 2019. Representative Tammy Exum of the 19th District won her seat in the House of Representatives by way of a Special Election held in the 19th District on April 16, 2019 and Representative Antonio Felipe of the 130th District won his seat in the House of Representatives by way of a Special Election held in the 130th District on May 7, 2019. Representatives Nolan and Zullo were administered the oath of office on March 1, 2019, Representative Exum was administered the oath of office on April 23, 2019 and Representative Felipe was administered the oath of office on May 13, 2019. Accordingly, Representatives Nolan, Zullo, Exum and Felipe were not elected members and did not cast votes at Sessions of the House of Representatives held before they were sworn in.

A member who takes office as a result of a special election, and who did not cast votes at a session that occurred prior to them being seated, would not have a truly reflective percentage calculation. The 2019 individual records reflect a total number of 392 votes taken by the Clerk of the House for the 2019 Regular Session, July 22nd Veto Session and July 2019 Special Session. The total of 392 votes divided into the number of votes cast by each member provides the record as a percent of votes cast.

The individual voting records serve as an unofficial record of the votes cast by the members of the House of Representatives. For an official accounting of members' votes, please refer to the 2019 Journal of the House of Representatives as prepared in accordance with Article Third, Section 14 of the Constitution of the State of Connecticut.
